From (Name) Dr. B. Sundara Raj, M.A., Ph.D.,
(Designation) Director of Fisheries.

To The Secretary to the Government of Madras,
DEVELOPMENT Department

Sir,

Ref: G.O.No.1418 Mis., Development, dated 28th September 1925.

In G.O.No. 1418 Mis., Development, dated 28th September 1925, Government sanctioned a rent not exceeding Rs.10/- per mensem to the Inspector of Fisheries, Mangalore Section for using a portion of his house as office. This arrangement of combining a dwelling house with an office is not working satisfactorily. The Assistant Director of Fisheries (Coast) reports that he has practically ceased to go to the Inspector of Fisheries' office during his tours as on several occasions when he did so, he put the

Inspector to great inconvenience. The privacy of his residence is greatly affected and discomfort is caused to his family when the Inspector's subordinates visit him on official duties. There are only two sleeping rooms in his house and the better of the two is used for the office. When any member of the family happens to fall ill, the existing inconvenience is aggravated.

The Assistant Director inspected a number of private buildings at Mangalore for the purpose of locating the office of the Inspector of Fisheries. As the rent prevailing at Mangalore is high, he is of opinion that a suitable building cannot be had for a rent less than Rs.25/- per mensem. I have, therefore, the honour to request that Government will be pleased to sanction a rent of Rs.25/- per mensem for a building at Mangalore for the above purpose.

I enclose a certificate from the Executive Engineer, West Coast Division to the effect that there is no building at Mangalore borne on the Public Works Department list for the location of the office of the Inspector of Fisheries.

The extra expenditure involved may be met from the provision under "xiii Fish curing yards - Non contract contingencies - Rents" in the current year.

I have the honour to be,
Sir,
Your most obedient servant,

B. [illegible]
Director of Fisheries.
